

LANDFALL
— **ANGUS** —

Positions Vacant

Senior Stock/Farm Hand Stock/Farm Hand

Landfall Angus is a progressive family owned and operated mixed farming operation located in the Tamar Valley of Northern Tasmania, specialising in livestock production.

These positions are based on our Greenhythe property located 40km north of Launceston.

Greenhythe Pastoral currently runs an Angus cattle enterprise focused on seedstock production and a composite ewe flock producing prime and store lambs. Both positions are hands on roles and involve working closely with the manager whilst providing the opportunity for growth and development and the chance to take on greater responsibility.

Senior Stock/Farm Hand Position:

An opportunity exists for an experienced full time Senior Stock/Farm Hand to join our team. This role involves and requires the successful applicant to have experience in all aspects associated with livestock production such as animal and grazing management, fencing including strip grazing, irrigation and some machinery operation and maintenance. They will also display a desire to increase productivity and play an important role in the continual growth of our business.

A current driver's license and competent working dogs are essential. Licensing / certificate qualifications e.g. Chemcert, ATV, Chainsaw, first aid will be considered favorable.

A remuneration package commensurate with experience will be negotiated with the successful applicant. This position requires the successful applicant to live on property and a 3 bedroom home is provided.

Stock/Farm Hand Position:

We also seek a full time Stock/Farm Hand to join our team who has a strong interest in agriculture and a desire to progress their skills and knowledge. This role is an active, hands on role working alongside the Manager and Senior Stock/Farm Hand and includes

duties such as livestock and grazing management, some machinery operation and maintenance, and all aspects of general farm maintenance and development.

A current driver's license is essential for this role and licensing / certificate qualifications e.g. Chemcert, ATV, Chainsaw, first aid will be considered favorable.

A remuneration package commensurate with experience will be negotiated with the successful applicant. A cottage is available for the successful applicant to live on the property.

Application/Further Information

To apply for either position please forward a current CV including referees by no later than 27th April 2018 to ed@landfall.com.au or call Ed Archer on 0417 337 144 for further information.

Only those who have a genuine interest in agriculture and display a strong work ethic need apply for these positions.
